

An Old Philatelist

A stamp exhibition is now going on in celebration of the 75th founding anniversary of the Workers' Party of Korea. Displayed at the exhibition are stamps issued by the State Stamp Bureau and thousands of stamps collected by over ten philatelists. Conspicuous is a hammer, sickle and writing brush, symbolic of the emblem of the WPK; Han Il Jung (76 years old) from Pyongyang portrayed them with over 400 stamps he had collected since 1956.
