

## Korean Folk Dance

Women's group dance "At the Spring Site"

"Three People Dance"

Men's group dance "Hourglass Drum Dance"  
"

Women's group dance "Hand Drum Dance"

“Peasant Dance”

“Mask Dance”

The pictures above are from elegant, gorgeous and cheerful Korean folk dances with deep national characteristics.

The dances are made up of popular dancing movements which are unique to particular regions and easy to learn.

Korean folk dances are widely re-presented thanks to the policy of the Workers' Party of Korea and the Government on conservation of the national cultural heritage.
