National Industrial Art Exhibition Opens

A national industrial art exhibition opened in celebration of the 75th anniversary of the founding of the Workers' Party of Korea.

On display in the venue are photos of Supreme Leader Kim Jong Un leading the country's industrial art to contribute to the economic construction and the improvement of the people's standard of living.

Also on show are more than 980 designs examined by the Supreme Leader in the period between April, Juche 101 (2012) and July, Juche 109 (2020) and over 580 designs, models, etc. highly appreciated in the past exhibitions.

Vice-premier of the Cabinet Ri Ju O, leading officials of commissions, ministries and national institutions, officials and creators in the field of industrial art looked round the venue on Monday.

The exhibition will continue until first half of November.
