

Taesongsan Ice Cream

Taesongsan ice cream is much popular among the Korean people for its unique taste and fragrance.

The Taesongsan Ice Cream Factory is located at the foot of picturesque Mt Taesong in the suburbs of Pyongyang. The factory is producing not only several kinds of high-quality ice creams but also non-saccharic and non-caloric drinks including peach, orange and mango juices and dairy products like coffee milk, peach milk and pineapple milk.

It was built at the time when the DRPK was overcoming severe challenges caused by an unexpected healthcare crisis, natural disasters and sanctions and blockade by the hostile forces. It was inaugurated in October 2022 amid the deep interest of Kim Jong Un, President of the State Affairs.
