

Two-Side Embroidery "Kimilsungia"

Two-Side Embroidery "Kimilsungia" Completed by creators
Ryu Chung Sim and Kim Yong Hui at the Mansudae Art
Studio in Juche 87(1998)

Kimilsungia was bred by an Indonesian botanist with his laborious efforts.

When the great leader Kim Il Sung visited Indonesia in Juche 54(1965), the Indonesian President proposed naming the beautiful flower "Kimilsungia".

The two-side embroidery has been kept at the the Korea National Art Museum.
